**MADONNA MINISTRY INTERNATIONAL PRESENTS U.S. STAR COUNCIL 2008
HALLOWEEN ON THE BEACH - TAMPA BAY, FLORIDA
OCTOBER 31 - NOVEMBER 2, 2008**

This year MMI has decided to jump out of the box and celebrate with some sweet Beach time. The property we found is the Hotel Isis on the beautiful Gulf of Mexico in Redington Beach, Florida, which is minute's way from Tampa, Florida's international airport. This is a quick run -down of what is in store - a head's up- so you can start to plan your elegant or silly Halloween attire for the Saturday Night Gala and get a deposit on your reservation ASAP. Can't wait to see what Larry comes up with!!

Take a gander at the beautiful website www.hotelisis.com. And by the way - my son was married on this property so I know it to be as sweet as it looks. The Florida committee is excited to bring MMI to our little slice of Heaven. Hope to see you here in October. With Love - Bishop EveLynn.

John Holden has spent the last 16 years in IT, Information Technology (aka computer geek) working in the Silicon Valley for technology innovators across the computer and biotech industries.
